

# Some Holmes Family Thoughts this Season...

30 years of college teaching—  
It's still great fun.  
9 straight years of college tuition—  
Glad that's done!

Grateful for family, friends,  
audiobooks, and fit-bit. Miss-  
ing Dad who passed away last  
Christmas, but happy Mom is  
nearby.

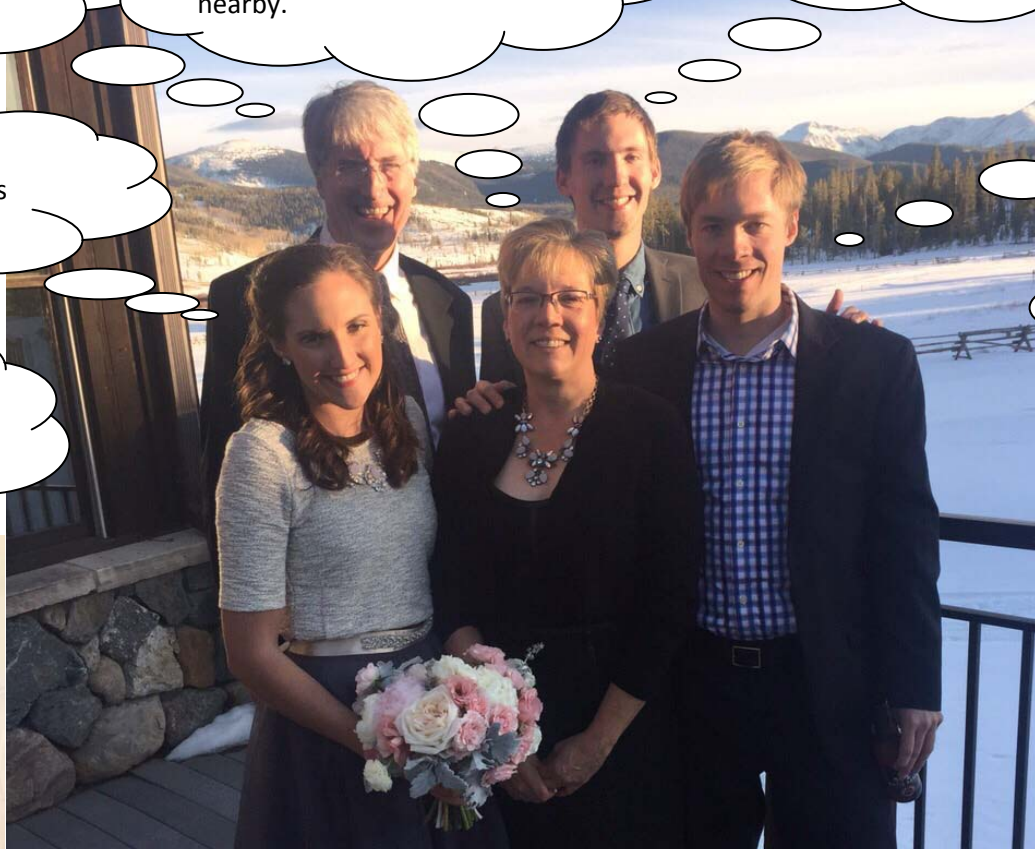

Happy to be back in Madison  
with my new job at Epic.  
Nordic ski trails, look out!

Enjoying life as a bond  
trader in Munich. And  
downhill skiing in the Alps  
is just two hours away.

Started work as a nurse at  
U of Minnesota Hospital. Work is  
hard, but enjoying the paycheck!

Wondering why I didn't get  
to go to Berkas/Haverkate  
wedding in Colorado.

Trip to the Florida Keys in  
May with Mom and Dad was  
fun. Do we want to meet in  
Ireland next May? Sure!
