

With a high school senior at the Holmes house, 'tis the season for college applications....

Merry Christmas and Happy New Year

University

Application for MCHNYU 2007 Season

Grades	Tom	14,064	Elevation of peak climbed in Colorado while being parent helper during cross-country team summer training adventure. Barely made it back down!
	Carol	57	Days spent in new Berkas family "compound" on Mullett Lake in Michigan.
	Brian	208	Number of bedpans changed during summer work experience in German hospital in Freiburg near the Black Forrest.
	Peter	48	Margin of victory of Wayzata cross-country team at state championships.
	Laura	50	Number of days spent out on boat, waterskiing on Mullett Lake.

Extracurricular, personal, and volunteer activities:

Tom Nagging Peter to work on college aps, running. **Carol** : Knitting, reading, math tutoring, usual stuff.
Brian President of cycling club, dental work recipient.
Peter Avoiding Tom and his nagging; running, Nordic skiing, working on college aps.
Laura Keeping the Methodist Hospital gift shop running smoothly every Wednesday; basketball, misc. volunteer activities as needed through school volunteer club.

Planned Major: **Tom:** Economics, of course! **Carol:** Undecided, but leaning towards retirement.
Brian: Politics. **Peter:** Biophysics. **Laura:** Double major in Text Messaging and Facebook (tentative)

Why we should be accepted to the MERRY CHRISTMAS and HAPPY NEW YEAR University

Tom Because our family is grateful for having had another wonderful year.
Carol So that we can wish friends and family warm greetings during the holiday season.
Brian Got into Princeton, so why not MCHNYU, too?
Peter We should be accepted everywhere we apply.
Laura We have been nice (rarely naughty!) and Santa has written us a good letter of recommendation.
